

Cheese Please

Dog Biscuits

$\frac{3}{4}$ c. oat flour

$\frac{3}{4}$ c. brown rice flour

$\frac{1}{2}$ c. shredded low-fat cheddar cheese

$\frac{1}{4}$ c. grated parmesan cheese

1 egg

$\frac{1}{3}$ water

Preheat oven to 350°. Combine all ingredients and mix thoroughly until a soft dough forms. Add a little more water if the dough is dry and crumbly. Roll the dough out on a lightly floured surface to $\frac{1}{4}$ " thickness. Use a cookie cutter to cut out shapes. Place on an ungreased cookie sheet (they can be close together as they don't spread much while cooking).

Bake for 20-25 minutes or until golden brown. Remove from the oven and let cool completely on a wire rack. Store in an airtight container in the refrigerator.

Makes 18-24 based on size
