

Ideas for packaging Peanut Butter Cookies

A tag like this, but with the words: "a warm cookie for a cold winter day - ENJOY!"

We could use fabric appropriate for our month and use a small jar with 3-4 small cookies

This is a CD envelope

We could package a couple of cookies in a sandwich bag, tie with a ribbon and attach to a carton of milk with a cute straw using a tag just like this.

We could print our tag onto copy paper and fold it into bags like this: "Happy Wednesday! HAVE A COOKIE"
